5. Online Access!

Change your settings from home, work, or on the road.

PeakRewardsSM Online Access gives you 24/7 access to your PeakRewardsSM thermostat(s) or switch(es) from any remote set-up with a browser. With it, you can change your thermostat settings, schedule your two annual overrides of non-emergency cycling events, and view your cycling history.

In order to use PeakRewardsSM Online Access, you must be a BGE residential customer, enrolled in PeakRewardsSM and have a registered BGE.com account.

BGE is not responsible for the thermostat settings and schedules, which are chosen by the customer. BGE cannot guarantee the information transmitted will change the setting due to atmospheric conditions and/or weak signaling strength in certain areas.

“One of the things I like about the thermostat is I can actually program it online while I’m out of town, so now I can program my favorite cable channels, and the temperature in my house — that’s cool.”

**Top 5 reasons
to enroll in
PeakRewardsSM**
a BGE Smart Energy Savers ProgramSM

Why should you enroll in PeakRewardsSM ?

1. BGE Bill Credits!

Receive bill credits for each central air conditioning unit or electric heat pump every summer you participate, plus a bonus of up to \$200 your first summer (not to mention the energy savings you'll receive all year long if you choose the new professionally installed programmable thermostat).

In fact, PeakRewardsSM can save you up to \$1,790 over five years through summer bill credits (June, July, August, and September), your first year bonus, the thermostat and its professional installation, and year-round savings on your heating and cooling costs.

What are your neighbors saying?

"The great thing about the program is we can not only save energy, but we can also save some money."

— Heather & Barry, Ellicott City

2. Flexibility!

Choose your cycling level and your device (a Smart Switch or a Smart Thermostat). You control your cooling and heating settings all year.

Your cycling level can be 50%, 75%, or 100%. Plus, you can override (opt-out) up to two non-emergency cycling events a year. You get higher bill credits with higher cycling.

With BGE PeakRewardsSM from BGE all the choices are yours!

There are no out of pocket cost for the professionally installed thermostat or outside switch.

"The technician explained all of the features of the thermostat. It is really easy to use and I've been enjoying programming different temperature settings for different days."

— Claire, Ellicott City

3. Go Green!

Participation in PeakRewardsSM helps protect our environment and reduce our carbon footprint by:

- **Reducing** the need for additional power generation plants.
- **Reducing** the emissions from current and future power plants.
- **Reducing** the need for additional electric transmission and distribution lines.

To date, 220,000 Marylanders have already signed up to participate in PeakRewardsSM. Take a look at how many of your neighbors are already participating (by County):

Anne Arundel	38,658
Baltimore City	16,667
Baltimore County	81,613
Calvert	721
Carroll	1,419
Harford	22,100
Howard	31,969
Montgomery	2,634
Prince George's	13,408

"PeakRewardsSM lowers our bill, and we're helping our earth!"

— Ruth, Baltimore

4. No Commitment!

Opt-out of the program at any time. You can also override (opt-out) up to two non-emergency cycling events a year!

Once you sign up for BGE PeakRewardsSM, you're not tied to it. If you find that it is not working for you, simply cancel your participation and the thermostat is yours to keep.

PeakRewardsSM is available to BGE residential electric customers regardless of their choice of electric supplier.
